EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Aaron Parker on 20 February 2007.

The application has been amended as follows:

Cancel claims 28-38, 44-62, 64-146.

Election/Restrictions

2. This application is in condition for allowance except for the presence of claims 28-38, 44-62, and 64-144 directed to an invention non-elected without traverse. Accordingly, claims 28-38, 44-62, 64-146 have been cancelled as per the Examiner's Amendment above.

Terminal Disclaimer

3. The terminal disclaimer filed on 22 December 2006 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US Application Nos 10/771,415 and 10/771,536 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Reasons for Allowance

4. Upon entry of the above amendment, claims 147-203 are allowed.
5. The following is an examiner's statement of reasons for allowance: The prior art fails to disclose or suggest the apparatus claimed by applicant. In particular, the prior art fails to disclose or suggest a support element with front and peripheral walls with the claimed rectilinear shape and curved portions in combination with the tube engagement connectors claimed by applicant, along with the other steps and limitations of the claims.

The best prior art of record, US 5,482,440 to Dennehey, discloses a pump module and cassette, but fails to disclose or suggest the particular shape, arrangement of components, and tube connectors claimed by applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
